Notes to Financial Statements

1. Summary of Significant Accounting Policies

A. Accounting Practices

The financial statements of DC Chartered Health Plan (Chartered) are presented on the basis of accounting practices prescribed or permitted by the District of Columbia Department of Insurance, Securities and Banking (DISB).

The DISB recognizes only statutory accounting practices prescribed or permitted by the District of Columbia (District) for determining and reporting the financial condition and results of operations of an insurance company and for determining its solvency under the District of Columbia Insurance Code. The DISB has adopted the National Association of Insurance Commissioners’ (NAIC) *Accounting Practices and Procedures Manual* as a component of prescribed and permitted practices for the District. The DISB has the right to permit specific practices that deviate from prescribed practices. There is no deviation from the NAIC *Accounting Practices and Procedures Manual*.

A reconciliation of the Company’s net income and capital and surplus between NAIC SAP and practices prescribed and permitted by the District of Columbia Department of Insurance, Securities and Banking is shown below:

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of the financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Policy

Chartered writes only Medicaid contracts primarily through a contract with the District of Columbia Department of Health (DOH). Medicaid premiums from the DOH are due monthly and are recognized as revenue during the period in which Chartered is obligated to provide service to members.

In addition, the Company uses the following accounting policies:

- (1) Short-term investments – None
- (2) Bonds not backed by other loans are stated at amortized cost using the scientific interest method.

- (6) Loan-backed securities – None
- (7) Investments in subsidiaries, controlled or affiliated companies – None

- (10)Chartered does not carry a premium deficiency reserve and consequently does not utilize anticipated investment income as a factor in the premium deficiency calculation.
- (11)Medical and hospital costs are accrued based on claims received but unpaid and an estimate for claims incurred but not yet received (IBNR). These estimates are projected through an actuarial model, which calculates the outstanding liability based on payment trends and membership. Chartered uses actuarially sound methodologies developed by its actuarial consultants, OptumInsight, to calculate its medical liability. Claims and claims adjustment expenses are expensed as incurred. The Company establishes an unpaid claims liability for claims in the process of review and for claims incurred but not reported. The liability for claims incurred but not reported is actuarially estimated based on the most current historical claims experience, changes in number of members and participants and estimates of health care trend (cost, utilization and intensity of services) changes. Estimates for claims incurred but not reported are continually reviewed and revised as changes in these factors occur and revisions are reflected in the current year’s statements of revenue and expenses.
- (12)Chartered has not modified its capitalization policy from the prior period.
- (13)The Company does not have any Pharmacy rebate receivables.

Chartered entered into an Asset Purchase Agreement on February 8, 2013 with AmeriHealth District of Columbia, Inc. for the sale of substantially all of Chartered’s operating assets and transfer of various contractual agreements. The sale closed on April 30, 2013 and at that time all of Chartered’s Medicaid and Alliance enrollees were transferred to AmeriHealth District of Columbia, Inc. In keeping with these developments, Chartered elected to not bid on the District’s Department of Healthcare Finance’s (DHCF) request for proposals for new contracts that would have taken effect after April 30, 2013. As a consequence, Chartered ceased participation in the DHCF’s Medicaid and Alliance programs on April 30, 2013.
